### ❖ Registration

- This event is open to all SSACS schools who abide by the standards and guidelines set down in these documents.
- It is the responsibility of each school to register their students. Students and student families are not to register themselves.
- Please respond on time to the registration deadline.
- **Schools must submit a multiple entries form.** It is very important that this form and other registration forms be accurate. Please have someone review your forms to verify all information listed is correct.

### ❖ Judging

- All schools are to supply SSACS with a list of individuals for every main category (speech, art and music). This is necessary in order to have an adequate number of judges for all the events.
- Each participant receives a judge's comments and a rating from the judge. (Exception: If a participant is disqualified from the event, the judge's rating sheets will be completed with scores, but no rating or ribbon will be given).

### ❖ Conduct

- All individuals are to conduct themselves in a responsible manner. Christian decency and respect along with good sportsmanship should be exercised in all aspects of the event.
- Everyone is expected to behave in such a way as to be a proper testimony for the Lord Jesus Christ, a positive reflection on their families and a good representative of their schools.
- Proper and sufficient supervision is necessary to insure students conduct themselves responsibly. There should be one (1) adult present for every ten (10) participants.

❖ **Dress Code**

- Modest and appropriate attire is expected at all events.
- Participants, sponsors, chaperones and teachers should be dressed in accord with their respective school dress codes.
- Sloppy, immodest or inappropriate dress on the part of an entrant will result in disqualification from the Festival.

❖ **Contestant Eligibility**

- Festival is for students in grades four (4) through eight (8).
- Each individual participant may enter up to two (2) art entries in different categories and up to five (5) performance (music/speech) categories.
  - No more than three (3) of the performance categories can be individual categories.
  - Duet Acting, Readers' Theatre and Piano Duet are considered group, not individual categories, but they do count toward the student's overall limitation of 5 categories.
- Each school has a limit on the number of entrants/groups per category. Please see each category guidelines for specific limitations.
- The grade in which the entrant is currently enrolled is the grade in which the entrant must compete.
- Sixth graders may enter as elementary or junior high, but not both.

❖ **Awards**

- Ribbons will be awarded to the participants/groups based on the judges' combined scores. Blue ribbons will be awarded for a superior rating, red ribbons for an excellent rating, and white ribbons for a good rating.
- Individual and group ratings will be posted for all participants and groups.
- There will be no first, second or third place winner declaration. This is not a competitive festival.
- There will be no awards assembly at the end of the day. One faculty member from each school may report to the judging room thirty (30) minutes after the final participant's judging scores are posted to get all judges sheets and awards. The faculty member is to check (if applicable) all judges sheets, accuracy of ribbon count and types of ribbons. The faculty member is to check out the school and then that school may depart for home.
- In each category, the student with the best score, if it is also a superior rating, will receive a certificate for Most Outstanding Performance. (Example: Most Outstanding Performance in Elementary Sacred Piano.) In art categories, a Most Outstanding Entry certificate (with a superior rating) will be awarded in the following: Elementary Art, Elementary Photography, Junior High Art and Junior High Photography.

FORMS WITHOUT ACCOMPANISTS WILL NOT BE ACCEPTED.
